GECAMed Update Info

- **11.12.2017 GECAMed 2.07.04** has been released publically.

It is important that you upgrade GECAMed **before January 15, 2018**!

The digital certificate of the old versions will expire on January 15th and starting Gecamed via 'web start' will no longer be possible using a version prior to 2.07.04.

You can find your current GECAMed version in the Help - About Menu.

Our GECAMed hotline is at your disposal to provide you with additional information and schedule the installation of the update if necessary.
